

## SPANISH CABINET RESIGNS.

Premier Maura's Whole Ministry Steps Out.

MADRID, Nov. 7.—After a long session in the Chamber to-day Antonio Maura, the Premier, went to King Alfonso to submit the resignation of his entire Cabinet.

## NEWBERRY STILL AHEAD.

Democrats Still Refuse to Concede Defeat of Ford.

DETROIT, Nov. 7.—Although unofficial returns almost complete, from Tuesday's election indicate that Lieutenant Commander Truman H. Newberry, Republican, defeated Henry Ford, Democrat, for United States Senator

by a margin of about 5,000. Democratic Headquarters here to-day refused to concede the naval commander's election. "The official count will be necessary to determine the result," said Ray Dandridge, Secretary of the Democratic State Central Committee, "and as the situation now stands I believe we will be justified in demanding a recount." Republican Headquarters insisted the final count would show Newberry's election by 10,000.

## SENATE CONTROL STILL IN DOUBT WITH RACE CLOSER

Republicans Have 236 in Next House, With Three Districts Missing.

WASHINGTON, Nov. 7.—Control of the United States Senate continued to remain in doubt early to-day on the face of returns from three States where contests between the Democratic and Republican candidates continued close as the count progressed. The Republicans further increased their majority in the House of Representatives when two of the three seats from South Dakota were conceded to them. Three seats, one each in South Dakota, New Mexico and Montana still remain in doubt.

The standing of the two parties in the next house, without the three missing districts, is: Republicans 236 and Democrats 195, a Republican majority of 41.

In the Senate without the three doubtful seats there are 47 Republicans and 46 Democrats.

Of the Senate races yet to be decided, Truman H. Newberry, Republican, appeared to be maintaining his lead over Henry Ford, the Democratic candidate in Michigan. With less than 200 precincts to hear from Newberry was leading his opponent by 5,300 votes. The Michigan State Republican committee claimed Newberry's election, declaring that the remaining districts are normally Republican.

Supporters of Senator Fall of New Mexico continued to claim his election on the basis of scattering returns. As these reports come from

## TWO WOMEN ELECTED TO STATE LEGISLATURE; FIRST TO SERVE THERE

Mrs. IDA B. SAMMIS

Mrs. Mary M. Lilly Hopes Abraham Ellensbogen, Defeated Opponent, Will Make Good Soldier.

Two women will occupy seats in New York's new Legislature for the first time in the State's history. They are Mrs. Mary M. Lilly, Democrat, who defeated Abraham Ellensbogen, Republican, in the Seventh Assembly District of Manhattan, and Mrs. Ida B. Sammis, Huntington, L. I., Republican.

unofficial sources the contest continued to be placed in the doubtful class.

In Idaho Frank H. Gooding was making deep inroads into the majority credited to Senator John F. Nugent, Democrat. Early to-day Nugent's lead was only 446 with 85,000 of the State's estimated vote of 95,000 counted.

An interesting contest is likely for the Speakership of the next House. Half a dozen names were mentioned by Republicans to-day in connection with the place, which passes from Democratic hands next March.

Longworth of Ohio and Gillett of Massachusetts are apparently the leading candidates to succeed Champ Clark, Gillett is acting Republican leader. Representative Mann, Illinois, the Republican leader, is too ill to be considered for the Speakership.

It is said, if Gillett is chosen Speaker, Longworth probably will succeed him as Republican floor leader.

Fess, Ohio, Chairman of the Republican Congressional Committee; Towner, Iowa, member of the Committee on Education, and Campbell, Kansas, are others whose friends to-day were booming them for Speaker.

With Republican control assured, Democratic interest centered in their own floor leadership. Kitchin, North Carolina, present floor leader, probably will continue to be the leader. Speaker Clark, however, is favored by some.

## DEMOCRATS GAIN FOUR.

ALBANY, Nov. 7.—With practically complete returns in this morning, the New York Congressional delegation is made up of twenty-three Republicans and twenty Democrats, a loss of three by the Republicans and a gain of four by the Democrats, the Socialists losing their one Congressman.

In the State Senate the Republicans have a majority of thirteen, having elected thirty-two of their candidates, while the Democrats elected nineteen. In the Assembly the Republicans have an even one hundred. Seventy-six is a majority.

lican, who defeated Walter L. Smith, Democrat.

"My speech," said Mrs. Lilly in explaining her success, "was this: 'Send me to the Legislature and send Ellensbogen to France.' For he had promised to go into the army if he was defeated. My victory provides the country with one more soldier."

As for Mrs. Sammis, she considered herself to have been elected for other purposes than to represent her sex. "I am not going to Albany as a woman," she said. "I am going as a representative of the Second Assembly District of Suffolk."

Also she has not decided what laws she will try to pass.

"I've been too busy campaigning," she said.

## LORRAINE PAYS TRIBUTE TO AMERICA'S DEAD

First to Die in France's Cause Receive Honors While German Guns Roar.

NANCY, Nov. 7. (Associated Press).—The memory of the first three American soldiers to fall in France under the American flag was honored yesterday, the anniversary of their death, by the Government of Lorraine, where they fell.

The towns in the Department of Meurthe-Moselle erected a monument in the village of Barthelmont, but the heavy bombardment the village is undergoing leaves it still evacuated. The military authorities were unwilling to allow a large gathering at the monument, so a party consisting of the Prefect of the Department, American Ambassador Sharp, Minister of Blockade Lebrun, Gen. Leroy Eltinge, representing Gen. Pershing, and the Mayor of Nancy inaugurated the shaft by placing flowers on it.

"We shall commemorate," said Mr. Mirman, "the facts that in Lorraine the first American offensive was launched, wiping out the great St. Mihiel salient, freeing the Nancy-Paris Railway line, clearing a large part of the two Lorraine departments and delivering thousands of French people."

## BOMB KILLS U. S. CONSUL.

Berlin Says Allied Airmen Slew Own Comrades.

AMSTERDAM, Nov. 7.—The American Consul and seven British war prisoners have been killed by the bombardment of Charleroi, southwest of Namur, in Belgium, according to Berlin despatches received here. Charleroi is a fortress about twenty miles east of the British positions on the Valenciennes sector. The name of the Consul is given as Eugene Davens.

## CHILDREN HATE PILLS, CALOMEL AND CASTOR OIL

Give Fruit Laxative when cross, bilious, feverish or constipated.

"California Syrup of Figs" can't harm tender stomach, liver, bowels.

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them; how you fought against taking them!

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well founded. Their tender little "bodies" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicate "California Syrup of Figs." Its action is positive but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children like to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoon given to-day saves a sick child to-morrow.

Ask your druggist for a bottle of California Syrup of Figs, which is full directions for babies, children of all ages and for grown-ups. Beware of counterfeiters sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—Advt.

## WASTE OF SUGAR

THE following bulletin was among the most forceful and effective bits of conservation propaganda at the New York Food Show last month. It was put out by the National Sugar Refining Company of New Jersey:

"Save the waste!  
"One hundred million cups coffee used daily in United States.  
"Seventy million cups tea used daily in United States.

"One hundred and seventy million cups tea and coffee.  
"If even an average of half a teaspoonful of sugar per cup is left undissolved at the bottom of cups of tea and coffee the waste would be 1,700,000 pounds of sugar daily.

"Stir your sugar until it dissolves. It's estimated that one-third to one-half of all sugars used in homes is used in tea and coffee. Think it over—how is it in your home? Isn't there a chance for saving?"
